Technical Update Training Webinars for Instructors January – November 2024

These free webinars are presented by ASE industry partners. Each event includes an emailed certificate that can be applied to instructors' technical update training hours required by the ASE Education Foundation.

This calendar contains the information to register for recorded versions of an ASE Webinar you may have missed. Please feel free to use the content to supplement your classroom activities. These webinars will remain available for 1 year after the original release date.

Don't Miss the ASE Instructor Conference in July, 2025 See <https://aseeducationfoundation.org> for the details and mark your calendar!
